GENERAL AND REVENUE SECRETARIAT.

LEGISLATION.

NOTES

File No. 5.

Extension of the provisions of Sections 5 to 20 of the Mines Regulation and Forms of licenses to be granted to goldsmiths, gold-dealers, hawkers and pedlars under the Regulation.

Under-Secretary, Legislative Branch.

1. Please go over the provisions of the New Mines Regulation, and let me know if special action is necessary on the part of Government in order to bring any of them into force in the Kolar Gold Fields. If so, we have to act betimes.

K. S. CHANDRASEKHARA AIYAR.

12-8-06.

2. (1) The first thing that has to be done is to notify under Section 4 (1) the local area in which Sections 5 to 20 are to be in force.

(2) Sections 8, 10 and 18.

Goldsmiths', gold-dealers' and hawkers' and pedlars' licenses.

Forms and conditions of licenses. Forms of application and fees for licenses have to be prescribed.

(3) Section 21. Rules for the prevention of danger to the human life, etc., have to be prescribed.

(4) Section 34 (1). Rules for Sanitation and Sanitary Administration have to be issued.

(5) Section 35. A constitution of Sanitary Board and investing the Board with powers.

(6) 3 (6) *e*. Other articles to be declared to be included in the definition of mining materials, *e. g.*, Coal. *Vide* Government Order No. Geological 777 S., dated 10th June 1904.

(7) Section 25. Appointment of Inspector of Mines.

(8) Section 29. The special Magistrate to be specially empowered under this section.

(9) Section 37. Rules *re* delivery of returns and specimens.
1 to 5 are urgent.

Submitted to Secretary with file relating to the revision of the Mining Rules.

K. MATHAN.

12-8-06.

3. The only respect in which action is immediately necessary is in regard to the notification of the local area to which the provisions of Sections 5 to 20 have to be extended. A similar notification was issued under the Mines Regulation of 1897; but as there has been considerable change in the substance of the enactment to be extended, a fresh notification is necessary. Please draft and submit a notification in the following terms:—

"In exercise of the power conferred by Section 4 (1) of the Mysore Mines Regulation, IV of 1906, the Government of His Highness the Maharaja are pleased to extend the provisions of Sections 5 to 20 of the said Regulation to the local area specified in the annexed schedule." The particulars for the schedule may be taken from the previous notification.

The provisions in regard to forms of goldsmiths and other licenses being new we have also to take action in this respect after consulting the District Magistrate and the Inspector-General of Police. Please put up a draft on the point.

No action is necessary in regard to other matters, since the operation of the rules already issued under the old Regulation is saved by Section 24 of the General Clauses Regulation, III of 1899.

K. S. CHANDRASEKHARA AIYAR.

17-8-06.

4. Submitted with two drafts. Orders are solicited as to whether the extent of the area to which Sections 5 to 20 of the Regulation are applicable, has to be ascertained from the Geological Department.

18-8-06.

5. Drafts to District Magistrate and Inspector-General of Police submitted. Also draft notification. Before issue the Geological Department may be asked to revise the schedule.

Not necessary. It is more a Police and Magisterial than a Geological matter.
(Sd.) K. S. C.

K. MATHAN.
18-8-06.

6. As we merely propose to extend the sections in question to the same local area to which the corresponding sections of the old Act were originally extended, I do not think a reference to the Geological or other Department is necessary. The draft notification has to be issued very early and may be approved.

K. S. CHANDRASEKHARA AIYAR.

9. Issue draft notification.
Also draft letter to the District Magistrate and the Inspector-General of Police.

24-8-06.

1. To the District Magistrate of Kolar and the Inspector-General of Police, No. J. 519-20, dated 27th August 1906.

Invites their attention to Sections 8, 10 and 18 of the Amended Mines Regulation and requests them to favor Government with proposals as to forms of applications, conditions and fees for licenses to be granted thereunder to goldsmiths, gold-dealers, hawkers and pedlars.

2. To the Compiler, Mysore Gazette, No. J. 521, dated 27th August 1906.

Notifies the extension of the provisions of Sections 5 to 20 of the Regulation to the whole of the Bowringpet Taluk with the exception of certain specified villages.

3. From the Inspector-General of Police in Mysore, No. 5288—579, dated 31st January 1907.

Forwards his proposals with forms of applications, etc.

4. From the District Magistrate of Kolar, No. 6080—312, dated 22nd February 1907.

States that the subject was fully discussed by him with the Inspector-General of Police and that the proposals and forms submitted by the latter officer have his concurrence.

14. Submitted. The office has not been able to find any inconsistency between the conditions of the several licenses proposed and the new Mining Regulation. There is, however, a departure made in the license forms as regards the person who may be empowered to inspect the gold-dealers' and goldsmiths' registers and articles in their possession. While the Regulation empowers any Police officer not below the rank of a Chief Constable to make any such inspection, the license requires that the Police officer should be not below the rank of an Inspector. This seems to be an improvement.

15. Further, while the hawkers' and pedlars' license form prescribes several rates of fee for hawking or pedling in different things, the Inspector-General has proposed a uniform rate, *viz.*, Rs. 5 in the former case and Re. 1 in the latter case. Either the license or the draft notification will have to be altered. The period for which the license fee is to be levied may also be made clear in the notification.

This may remain and clause (i) of the form of license omitted as too complicated.
K. S. C.

T. K. S.
11-3-07.
S. N.
12-3-07.

16. The licenses are prescribed under the enabling Sections 8(2) and 18. Section 8 (2) says, "Every gold-dealer's and every goldsmith's license and every application for a license, shall, respectively, be in such forms as may be prescribed by Government." Section 18 says "Licenses shall be issued *subject to such conditions* and the levy of such fees as the Government may prescribe." The difference in phraseology is striking and it is doubtful if any conditions, inconsistent with the Regulation, can be introduced into the license under Section 8 (2). Though the Government may prescribe conditions on points on which the Regulation is silent, yet, where the Regulation deals with any points, the license cannot be inconsistent with the conditions prescribed in the Regulation. An instance in point is clause (j) in Schedule A and clause (f) in Schedule B as put up. Section 9 of the Regulation *expressly confines* the power to cancel a license to the case of a conviction of a licensee for any offence which, in the opinion of the Magistrate, renders him unfit to hold a license. This power, so strictly confined in the Regulation has been enlarged by these two clauses. It is very doubtful if this can be done. Moreover, there is another equally fatal objection against clause (j) of Schedule A and clause (f) of Schedule B. These clauses seem to have been adopted from the forms of the license under the Mines Regulation of 1897. (*vide* the license sent with the Inspector-General's letter). Under the old Regulation, a clause to the effect the license is liable to be cancelled on breach of its conditions was perfectly valid; for, under para 2, Section 6 of the Regulation of 1897 (page 465, Volume II of the Mysore Code), a Magistrate of the First Class may, for any good and sufficient cause recorded by him in writing, cancel any such license before the expiry of the year for which it is granted. But, under the corresponding Section 9 of the new Regulation of 1906, the power to cancel a license is restricted to the case of the conviction of a licensee for any offence. Therefore there is no authority under the Regulation to declare that breach of any of the conditions may make the license liable to be cancelled. There are some conditions the breach of which is made an offence by the Regulation itself. In those cases, on conviction, the license is liable to be cancelled under Section 9. Supposing that the licensee alters the structure of the licensed premises without the sanction of the Kolar Gold Fields Magistrate (as required by clause (*c*), Schedule A. Not under Section 9, for the licensee's action is not an offence under the Regulation. Section 18, on the other hand, expressly states that breach of the conditions of a license issued under Section 18 shall be an offence.

Not quite correct to put it this way. But the fact is the same, *viz.*, that there is no other provision under which a license can be cancelled.
K. S. C.

17. If the foregoing view is accepted, the following modifications seem to be necessary. Schedule A. In clause (*i*) for the word 'Inspector' the words 'Chief Constable' may be substituted and before 'Magistrate' the words 'First Class' may be added, to make the clause correspond with Section 10 (3) of the Regulation.

Yes.
K. S. C.

18. Clause (*j*) to be omitted * for reasons stated above. Even if it is decided to retain the clause, the words, "under Section 9 of the said Regulation" must be omitted, for Section 9 obviously does not apply. Again, the words from 'and the licensee' to the end must be omitted, because Section 13 does not provide any penalty for breach of any of the conditions of a license. The license is issued under Section 8 which is not one of the sections referred to in Section 13. In Schedule B, clause (*f*) may be omitted; at all events the words 'under Section 9 of the said Regulation' must be omitted, as Section 9 does not at all apply.

Yes. The reference to Section 9 may be omitted, but the clause itself will hold good if the applicant is made to agree to the terms of any conditions that may be imposed on him. *Vide* addition made to draft Rule 1.
K. S. C.

This is also correct.
K. S. C.

Clause (f) may be retained with the omission of the reference to Section 9.
K. S. C.

19. Schedule D does not contain enough headings to include the case of a goldsmith who deals in jewellery also.

Please prepare a separate form for this.
K. S. C.

20. In the draft notification, para 3, the fees fixed for a hawker's and a pedlar's license do not agree with those mentioned in Schedule C, so clause (*i*) of Schedule C may be incorporated in para 3 of the Draft Notification.

The rates of fees proposed in the Inspector-General's letter are simpler and may be adopted.

K. S. C.

S. P. RAJAGOPALACHARI.
13-3-07.

21. In the preamble of the Notification, Sections 8, 10 and 18 only are referred to. As in license Schedule B, clause (*c*), the provision of Section 11 of the Regulation are incorporated for observance, Section 11 also may be inserted in the preamble after Section 10.

Not necessary.

K. S. C.

22. Schedule A, clause (*i*), provides for the inspection referred to in Section 10, clause (3) being made "by a Police officer not below the rank of Inspector." In the Regulation it is said that such inspection may be made by any Police officer not below the rank of Chief Constable. There is nothing inconsistent in a license, specially prescribed under this Section (10), reserving the power of inspection to an Inspector of Police whose rank is above that of Chief Constable. It would be inconsistent with the provision of this section if the power is given to an officer below the rank of Chief Constable. Clause *i*. (Schedule A) need not, I think, be omitted, as under Section 9 it is discretionary with the Magistrate to withhold a license. Such withholding may take place at any time if the Magistrate discovers subsequent to the grant of the license, that the licensee is not a person of good character and reputation. Not only a license may be withheld at any time, but it may also be cancelled on conviction of any offence. A mere breach of the conditions of a license is sufficient to withhold or cancel a license under Section 9, though such breach may not amount to an offence criminally punishable. Otherwise once a license is granted it cannot be cancelled till some offence is proved and the licensee is actually convicted. This is not the spirit and intention of Section 9 which gives absolute discretion to the Magistrate to withhold a license at any time. It stands to reason that a person who has authority to grant licenses on certain conditions has power to cancel the same if the licensee violates those conditions. The words "withheld or" may, if deemed necessary, be inserted before 'cancelled' in clause (*j*) of Schedule A and in clause (*f*) of Schedule B.

"Withholding" is different from "cancelling."

Licenses are renewable annually.

K. S. C.

23. Section 7 is referred to in Section 13 and under Section 7 a gold-dealer or goldsmith must obtain a license "as hereinafter provided" "(*i. e.*, by Sections 8, 10 and 11). Therefore the mention of Section 8 in Section 13 was unnecessary.

24. In Schedule C, clause (*c*), after "hawker" the words "or pedlar" may be added.

This may be done.

K. S. C.

25. In Schedule C, clause (*j*), (last para), after "hawked" the words "or pedled" may be inserted. In Schedule C, clause (*j*), (3rd para), after "a fine of Rs. 100" it would be more accurate to say" or imprisonment of either description for a term not exceeding three months, or both."

Yes.

K. S. C.

Yes. Please substitute.

K. S. C.

26. License fees for hawkers and pedlars in notification are Rs. 5 and 1 respectively. In Schedule C (*i*) rates vary according to the nature and value of salable articles. If these rates are approved, they may be incorporated in notification in lieu of Rs. 5 and 1.

Please see my remarks *supra*.

K. S. C.

T. THUMBOO CHETTY.

27. Please put up a draft explaining the alterations now suggested, and asking for his (Inspector-General's) opinion thereon.

K. S. C.
20-3-07.

28. A draft to the Inspector-General of Police is submitted; another Schedule E, Form of Register to be maintained by a goldsmith under Section 10 (2) of the Regulation, is also put up. The necessary verbal alterations have been made.

29. The draft to the Inspector-General of Police may be approved.

K. S. C.
25-3-07.

30. The matter has been well discussed in the Judicial Branch. Draft is approved. As regards the scale of fees for hawkers and pedlars, I think it is meant to levy both a capitation fee of Rs. 5 or 1 and also a license fee according to the nature of the trade. This would be sound in principle. Enquiry may be made as to the object of the imposition of double fees.

32. The Inspector-General says that—

(1) The additional heading proposed in the application form is very necessary;

(2) The word "Inspector" has been substituted for the word "Chief Constable" in Schedule A, clause (*i*), as it is the present designation of the office,

(3) Clause (*j*) of Schedule A and clause (*f*) of Schedule B may be altered as proposed.

(4) That the simpler rates of fees may be adopted for hawker's and pedlar's licenses;

(5) That the additions proposed in paras 7 and 8 may be adopted; and that

(6) Only one form of Register (Register) for gold-dealers was proposed as it was thought that a goldsmith would have to take out a gold-dealer's license before he could carry on his avocation of gold-dealing.

Submitted for orders (thro' Probationary Assistant Commissioner.)

33. The Inspector-General concurs in almost all the suggestions with regard to the registers to be kept by gold-dealers and goldsmiths, whether goldsmiths must keep gold-dealer's register or not. Section 10 (2) of the Regulation requires every licensed goldsmith to keep a goldsmith's register and therefore the necessity arises for another register—Schedule E. As regards the 2nd Councillor's query, it appears from the last para of the Inspector-General's letter that there was no intention of imposing a double fee.

Points out certain inaccuracies in the draft notification published in the Gazette and requests to be supplied with ten spare copies of the notification for reference.

39. 1. In clause (*k*) of Schedule C, for the words "or to three months' imprisonment,"
Whose omission is this. K. S. the words "or imprisonment of either description for a "term not exceeding three months or both" should be substituted.

2. In line 2, clause (m) of Schedule C, the word "of" should be corrected into "or". This is a printer's mistake.

46. This cannot be done, as it would be inconsistent with Section 8 (1) of the Mines Regulation which declares that goldsmiths' and gold-dealers' licenses shall terminate on the 31st December of the year in which it is granted. The point is not of much importance, as Magistrates may grant the first licenses under the rules for a period of six months only.

57. According to the rules issued under Government Order No. G. 8139—G. M. 12-06-68, dated the 27th June, the Special Magistrate of the Kolar Gold Fields is outside the list of Assistant Commissioners. The words "Assistant Commissioner and" may, I think, be omitted wherever they occur in the license forms. There is no need to substitute, as proposed, the words "Special Magistrate" instead of "The Assistant Commissioner and 1st Class Magistrate." Sections 8, 10 and 18 of the Mysore Mines Regulation, under which the rules and forms of licenses were prescribed, refer to a First Class Magistrate as the person who may issue the license or authorize the inspection. It will be more appropriate to use the words "First Class Magistrate" than "Special Magistrate." Besides, the Criminal Procedure Code, which classifies the several kinds of Magistrates, gives to a "Special Magistrate" a special significance (*vide* Section 14, C. P. C.).

Letter No. 5258—579, dated Bangalore, 31st January 1907, from F. E. C. Carr, Esq., Inspector-General of Police in Mysore, to K. S. Chandrasekhara Aiyar, Esq, B. A., B. L., Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Departments.

Adverting to your letter No. J. 500—Legis. 5-06-1, dated 27th August 1906, asking for my proposals as regards (1) forms of application, (2) conditions, (3) fees for licenses to goldsmiths, gold-dealers, hawkers and pedlars, under the amended Mysore Mines Regulation, IV of 1906, I regret having delayed my reply. I wished to consult the Deputy Commissioner, Doctor Smeeth and other officers on the Kolar Gold Field before submitting my final proposals. Doctor Smeeth and Mr. Thomas only returned from leave a short time ago. Hence the delay. Serial No. 3.

Extension of the provisions of Sections 5 to 20 of the Mines Regulation and forms of licenses to be granted to goldsmiths, gold-dealers, hawkers and pedlars under the Regulation.

As regards (1) *Forms of application*, I would suggest that they should contain the following headings:—

1. Serial No.
2. Date.
3. Name of applicant.
4. Father's name, village, etc.
5. Reason for application being made.
6. Whether applicant has carried on business, as dealer or goldsmith on the Gold Field or elsewhere, before.
7. Sureties or persons ready to stand security.

Applications from hawkers and pedlars might, if necessary, be on much the same form.

(2) *Conditions*.—These are sufficiently clearly defined in the licenses to be issued.

(3) *Fees*.—I would suggest the following fees:—

		Rs.	
For gold-dealer's license		... 25	
Goldsmith's	do	... 5	(the present amount).
Hawker's	do	... 5	
Pedlar's	do	... 1	

As regards forms of licenses, I have the honor to attach hereto the form of license now in use, and those proposed: as also the form of register which a gold-dealer and goldsmith should be called upon to keep. It would not be necessary for hawkers and pedlars to keep registers.

License now in use.

Serial No. 4.

In reply to your letter No. J. 519—Legis. 5-06-1, dated 27th August 1906, calling for proposals as to the forms of application, etc., for licenses to gold smiths, gold-dealers, hawkers and pedlars, I have the honor to state that I have discussed the subject that has been under my consideration for sometime past with all the officers concerned, and that the proposals and forms submitted by the Inspector-General of Police to Government with his letter No. 5288-511, dated the 31st January 1907, have my fullest concurrence.

Letter No. J. 3031—Legis. 5-06-6, dated 28th March 1907, from the Secretary to Government, General and Revenue Departments, to the Inspector-General of Police.

Serial No. 6

Adverting to your letter No. 5288—579, dated 31st January 1907, submitting forms for licenses, etc., under the amended Mysore Mines Regulation of 1906, I am directed to invite your attention to the following suggestions and to request the favor of your opinion as regards their adoption :—

(1) In the form of application for a license, it is proposed to add another heading, 8, as follows:—"8. The applicant's willingness to abide by the terms of any conditions that may be imposed on him by the license to be granted." The object of this addition is to enable the Magistrate to cancel the license, if any of the conditions of the license are not complied with. Under Section 9 of the Regulation, the license can be cancelled only if the licensee is convicted of any offence which renders him unfit to hold a license. As it is necessary that the Magistrate must have power to cancel the license if any of its conditions are not complied with, it is intended to effect this by requiring the licensee to state in his application that he will abide by the terms of any conditions that may be imposed on him by the license.

(2) In Schedule A, clause (*i*) it is proposed to substitute the words 'Chief Constable' for 'Inspector' and to add the words 'First Class' before 'Magistrate' in order to make the clause correspond with Section 10 (3) of the Regulation.

(3) In Schedule A, clause (*j*) the words "under Section 9 of the said Regulation" have to be omitted, as Section 9 enables the Magistrate to cancel the license only if the licensee is convicted of any offence, And the words from "and the licensee" to the end have to be omitted, as Section 13 of the Regulation does not provide any penalty for breach of any of the conditions of a license.

(4) In Schedule B, clause (*f*) the words "under Section 9 of the said Regulation" have to be omitted for the reason stated in (3).

(5) Another form of Register to be maintained by a goldsmith under Section 10 (2) of the Regulation seems to be necessary as Schedule D put up does not contain enough headings to include the case of a goldsmith also.

(6) Clause (*i*) of Schedule C prescribes a scale of fees varying according to the nature and value of the articles to be sold; while in your letter the fees prescribed for a hawker's and a pedlar's license are Rs. 5 and 1 respectively. The object of the former is not understood. The latter rates are simpler and may, if you agree, be adopted, in which case caluse (*i*) of Schedule C will have to be struck out.

Extension of the provisions of Sections 5 to 20 of the Mines Regulation and forms of licenses to be granted to goldsmiths, gold-dealers, hawkers and pedlars under the Regulation.

(7) Addition of the words 'or pedlar' after 'hawker' in clause (*c*) of Schedule C; of the words 'or peddled' after 'hawked' in para 3 and clause (*n*) Schedule C.

(8) In Schedule C, clause (*l*), after 'a fine of Rs. 100' it would be more accurate to add 'or imprisonment of either description for a term not exceeding three months, or both.'

Letter No. 7306-776, dated 15th April 1907, from F. E. C. Carr, Esq., Inspector-General of Police in Mysore, to K. S. Chandrasekhara Ayar, Esq., B.A., B.L., *Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Departments.*

In reply to your letter No. J. 3031—Legis. 5-06-5, dated 28th March 1907, regarding the form of licenses under the Mines Regulation for the year 1906, I have the honor to reply as follows:— Serial No. 7

(1) The additional heading 8 proposed, appears to me very necessary if, as you say, the licensee can have his license cancelled only on conviction of an offence which renders him unfit to hold a license.

(2) In Schedule A, clause (*i*), the word Inspector has been substituted for Chief Constable, as this is the present designation of the office, although the title Chief Constable is still used on the Gold Fields. This is technically wrong as all Chief Constables on the Gold Fields and in the Cities of Bangalore and Mysore, have been absorbed into the general list of Inspectors.

(3) Schedule A, clause (*i*), will have to be altered as proposed by you.

(4) Ditto ditto.

(5) Only one form of register as shown in the schedule was suggested, *viz.*, the one which would have to be maintained by *gold-dealers*, because it was thought that it will be necessary for a goldsmith to take out a *gold-dealer's* license also before he can well carry on his avocation of goldsmith under the Regulation, as under Section 12, he can have no unwrought gold in his possession at any time without keeping the proper register.

(6) As noticed by you, the fees proposed in my letter differ from those given in the proposed license to hawkers and pedlars. The latter was, I believe, the *original* suggestion, but after our meeting at the Kolar Gold Fields to discuss the whole question, the members present were of opinion that fees should be charged to the amounts proposed in my letter. I therefore concur with you in thinking that the simpler rates are preferable.

(7) I concur.

(8) Ditto.

		Weight Tolas	Estimated value Rs.			Weight tolas	Value Rs.			Weight Tolas	Value Rs.	
1	2	3	4	5	6	7	8	9	10	11	12	13

NOTE.—The register shall be obtained from the 1st Class Magistrate, Kolar Gold Fields, and shall contain only the headings as per schedule.

Extension of the provisions of Sections 520 of the Mines Regulation and forms of licenses to be granted to goldsmiths, gold-dealers, hawkers and pedlars under the Regulation.

No. J. 107, dated 9th July 1907, one copy to the Inspector-General of Police, and No. J. 101, dated 9th July 1907, to District Magistrate of Kolar for information.

Letter No. 385—29, dated Kolar, 12th July 1907, from C. Sreekanteswara Iyer, Esq., B.A., B.L., Deputy Commissioner and District Magistrate, Kolar, to C. S. Balasundaram Iyer, Esq. B.A., Officiating Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Departments, Bangalore.

Serial No. 12. In acknowledging receipt of the copy of rules and forms of licenses prescribed with reference to Sections 8, 10 and 18 of the Mysore Mines Regulation, IV of 1906, forwarded for information with your No. J. 108—Legis. 5-06-11, dated the 9th instant, I have the honor to request that, in pursuance of the changes of designation effected in clause (2) of para 14 of the latest Civil Service Scheme, the words " Assistant Commissioner and 1st Class Magistrate, Kolar Gold Fields," wherever they occur in the license forms, may kindly be caused to be printed as " Special Magistrate, Kolar Gold Fields " while striking the said forms.

Letter No. J. 454, dated 9th August 1907, from the Secretary to Government, General and Revenue Departments, to the District Magistrate, Kolar.

Serial No. 13. I am directed to acknowledge the receipt of your letter No. 385—29, dated the 12th July 1907, proposing that the words " Assistant Commissioner and 1st Class Magistrate " occurring in the forms of licenses prescribed by Notification No. J. 106—Legis. 5-06-11, dated the 9th July 1907, for goldsmiths, gold-dealers, hawkers and pedlars in the Kolar Gold Field mining area, should be substituted by the words " Special Magistrate, Kolar Gold Fields " in getting the forms printed, so as to be in conformity with the change of designation effected in clause (2) of para 14 of the latest Civil Service Scheme.

2. In reply I am to state that the words in the Civil Service Scheme are only used in connection with the cadre of Assistant Commissioners and prospects of Probationary Assistants; and that the scheme does not preclude the appointment of an Assistant Commissioner to the Kolar Gold Field. The present incumbent is in fact an Assistant Commissioner. As Sections 8, 10 and 18 of the Mysore Mines Regulation, under which the rules and forms of licenses were prescribed, refer to a 1st Class Magistrate as the person who may issue the licenses or authorise the inspections, it seems to Government that it will be more appropriate to use the words " 1st Class Magistrate " than " Special Magistrate." The words " Assistant Commissioner and " wherever they may occur in the licenses will therefore be omitted in the forms that may be printed in future.

Erratum Notification No. J. 560—Legis. 5-06-14, dated Bangalore, the 17th August 1907.

Serial No. 14. For the words " Assistant Commissioner and 1st Class Magistrate " occurring in the forms of licenses to be issued to gold-dealers, goldsmiths, hawkers and pedlars dealing in the Kolar Gold Field Mining area and published with Notification No. J. 106—Legis. 5-06-11, dated the 9th July 1907, read the words " 1st Class Magistrate " only.

Extension of the provisions of Sections 5 to 20 of the Mines Regulation and forms of licenses to be granted to goldsmiths, gold-dealers, hawkers and pedlars under the Regulation.

SCHEDULE E.
